Schedule of Goods and Property

Object Number	Object Name and Description

The Museum reserves the right to decide on the best use of all goods and property received from the Donor. The Museum also agrees to advise the Donor on the final assessment of suitability and into which collection the goods and property will be placed. If assessed as unsuitable for the collection the Museum will advise the Donor as soon as possible. Rejected donations may be offered to other collecting organisations (in the first instance other Museums of the Australian Army History Unit) or disposed of.

I have read the above conditions and agree to them.
